Oxford Student's Thesaurus

2007 EDITION

Robert Allen

This is a fresh new look for the 2007 edition of the *Oxford Student's Thesaurus*. Each entry is in alphabetical order, with its word class and a broad range of imaginative synonyms with supporting example sentences. The page design is clear and straightforward; it features 50 useful tinted panels that give an increased number of synonyms for words that are often overused, for example 'good' or 'nice'. There are also almost 90 topic panels that focus on vocabulary connected to a subject, for example, places of worship, communication, entertainment or government.

Field Linguistics*A Beginner's Guide*The late **Terry Crowley**, University of Waikato, New Zealand

This book is a comprehensive, practical guide to field linguistics. It deals in particular with the problems arising from the documentation of endangered languages. Terry Crowley shows how to prepare for that task, and how to record, analyse, and describe languages in the field. Mixing formal instruction and anecdote, the author shares his rich experience with the new generation of linguistic fieldworkers.
